6 REASONS TO VOLUNTEER WITH HVOSC

1: Professional Development

Gain practical experience and insights into fields such as healthcare, social work, or counseling

2: Impact your community

Your presence can provide emotional support and comfort to your community members in life's most vulnerable moments.

3: It's Not Hard

Spending time with someone, listening to their stories, or offering a comforting presence can make a significant difference.

4: Many ways to help

Share a cup of coffee, play cards, drive to an appointment, replace a smoke detector, clear snow, support a hospice event, and many more.

5: Educational Experience

Broaden your knowledge and understanding of sensitive topics like the process of dying, palliative care, and different cultural approaches to death

6: Personal Growth

Witnessing courage and resilience can inspire personal reflection and a new perspective on your own life and priorities.
